“The members of our chorus are so happy to share our love of music with you after two years of being without the joy of singing together. Due to the pandemic, we were unable to celebrate our 10th Anniversary in 2021, so we are rejoicing a little late! This is a very special concert, as it represents a piece of music from each of the past 10 years of CCPC concerts. We hope you enjoy the performance today and continue to support our group in the future. If you would like information about singing with our group, please email: communitychorusofpalmcoast@gmail.com.”

A special “thank you” to the First Baptist Church-Bunnell for the use of their facility for our rehearsals and concert.
