Meet The Director - Carlene Seppala

Carlene is an accomplished choral conductor and vocal performer. She graduated from Augsburg University in Minneapolis, MN with a Bachelor of Music Education majoring in voice and minoring in piano and continued with Graduate Studies in Choral Conducting at the University of Minnesota. Over her career she has conducted various choirs, orchestras and ensembles which range from select auditioned youth choruses, mixed and women's ensembles, church choirs, and a University Women's Chorus. Her career has also included directing and producing large scale musical productions. Carlene has taught voice privately as well as at the University setting.

She is an accomplished vocalist and as such has been a member of several choirs in Minnesota and New Jersey. One of her highlights has been to perform in Carnegie Hall with the Masterworks Chorus of New Jersey. Carlene takes great joy in working with choirs, melding voices together to create moments of beauty through fine music.

Meet The Accompanist - Hea Suk Che

Hea Suk Che was born in Seoul, South Korea. She has her undergraduate and graduate degrees in church music with a major in pipe organ from Chongshin University in Seoul, Korea. She is an accomplished pianist and teacher. Heasuk and her husband, Paul, a minister, came to the United States in the mid-1990's.

Heasuk has served as a church organist at various locations throughout the United States while also serving as a minister's wife and raising four children. Heasuk has been with Trinity Presbyterian since 2014, first as their organist then, in 2019, was promoted to Music Director/Organist.

Heasuk enjoys playing the organ: "It is the way of my breathing and praying to glorify God." She is thrilled to be the accompanist for CCPC.

***The members of Community Chorus of Palm Coast
thank you for attending!***

The Chorus Gives A Huge THANK YOU To:

>Our many friends whose support allows us to continue providing outstanding concerts to our community. We deeply appreciate everyone who gives monetary gifts, helps with fundraising, and volunteers their time and expertise in various areas.

>BeneFit Electric Bikes, for their generous support that helped us raise much needed funds for our operating expenses. We cannot thank them enough.

>Ken Mettler, who is our sound man and coordinator with Trinity. We could not perform without him!

>Trinity Presbyterian church for providing space for our rehearsals and concerts for the past 14 years. We owe Trinity a debt of gratitude.

>Gary Davidson who works on our website. The site keeps getting better and better, thanks to his efforts.

>Christina at Class A Printing for the design and printing of our programs.

This Spring Season Community Chorus of Palm Coast wants to recognize and honor a special lady, **Jane Gaulding**.

This is Jane's last season with us. Jane is moving to North Carolina to continue to take care of her 102-year-old father and be closer to family. We will miss her!

Jane's impact on the Chorus began at the beginning in 2010. As a charter member of the Chorus, Jane has been and is a quiet supporter of quality musical experiences in Palm Coast. Her historical knowledge has been valuable for the multiple CCPC Boards with whom she has served. She stepped up when needed to serve on the Board as Marketing chairman, Trinity Liaison, and simply member extraordinaire! As Marketing chair years ago, she developed and organized a list of free ways to advertise the concerts and worked with local printers to develop printed materials. As Liaison to Trinity Presbyterian Church she coordinated with the church for the use of the facility and ensured we were on their calendar! She was instrumental in building the partnership we have with Trinity. As a member she supported the members, assisting at our Meet and Greets, Boot Camps, and other fun Chorus functions. Whenever needed she assisted with opening, closing, and securing the church for rehearsals and events. She assisted the treasurer with collecting and counting the donations following the concerts. She gave the chorus artifacts to use when applying for the City of Palm Coast/Flagler County Cultural Arts grants. These quiet supportive acts will be missed along with her smiling face, institutional knowledge, and frank suggestions as needed.

We wish Jane all the best as she enters a new moment on her journey through life and we know she will do it with a song in her heart!
